

REMARKS

This application has been carefully reviewed in light of the Office Action dated May 29, 2007. In response to the Office Action's requirement for restriction, Applicants elect Embodiment 1 drawn to Claims 1-18 without traverse. Claims 19-39 have been cancelled herein without prejudice solely to comply with the restriction requirement.

In view of the foregoing, it is respectfully submitted that the currently-pending claims, as herein amended, clearly define statutory subject matter. Accordingly, allowance of the currently-pending claims is now respectfully submitted to be justified, and favorable consideration is earnestly solicited.

Respectfully submitted,
